

Advice for Customers of Just For You Bridal

The whole team at Just For You Bridal are working hard to ensure that your visit will be a pleasant and safe experience. With the Covid 19 pandemic, we have decided to operate a locked door policy to ensure that we are offering you the safest of environments. The risk of particular contamination is carefully managed in all areas of our building.

If you are unwell for any reason it is better to not come to the shop. If you suspect you have symptoms of Covid-19 please stay at home and follow NHS guidance.

How we will look after you before and during your visit:

PREPARATION AT HOME:

If possible it is recommended that you take your temperature before leaving the house. Upon arrival we will take your and your guest's temperature, and would not want you to waste your journey.

You may not use the toilet facilities, please do so before your appointment and or wait and use other facilities afterwards.

Do not bring anyone with you if this can be avoided. Of course, it is great to have a second opinion when selecting a dress, but for subsequent try on's and fittings it shouldn't be necessary.

Please come with adequate clothing, we have been advised not to use the AC, so the shop may be warmer than usual in the summer or cooler at times.

ON ARRIVAL:

Try to arrive in a cool and calm fashion. Don't run or rush to your appointment as your body temperature will be raised and if you appear feverish you cannot be seen.

If you do not have your own you will be given a mask to wear and will be asked you use a hand sanitizer

More than one of us may be looking after you and we will be wearing various levels of PPE, this is because we may have to be closer than 2 metres if we are pinning your dress or zipping you up.

YOUR APPOINTMENT:

We will invite you straight into your allocated zone; that has been prepared to provide a safe environment. The shop has been divided into social distancing zones. Please respect other people's space.

We will ask you a few questions to ascertain which styles you are looking for and then present dresses to see if you wish to try them on. We will then take these styles to your changing area for you to step into. You will then step out of your changing room for us to zip or lace up.

Any dress that you decide to try on will then be quarantined for 72 hours, so please only try on the styles that you have a genuine interest in, as any other brides will not be able to try them on subsequently.
